COMPANY OVERVIEW

Shiva Enterprises LLC is a trusted provider of non-emergency transportation, community support, and social services for elderly individuals, veterans, and individuals with disabilities throughout Colorado Springs and surrounding areas. With over 10 years in business, Shiva is committed to improving quality of life through compassionate care, reliable transportation, medication delivery, and individualized client support services.

RELEVANT COMMERCIAL EXPERIENCE

Social Services & Transportation Support

Provided transportation, medication delivery, hospital rides, doctor appointments, cleaning assistance, and community interaction support for elderly and disabled clients. Helped improve client independence, safety, and quality of life.

Mental Health & Transportation Services

Delivered individualized transportation and mental health support services based on client care plans and urgency of needs. Maintained responsive, client-focused support for community-based care programs.

Community Support & Medication Delivery

Provided recurring community interaction services, medication pickup and delivery, grocery assistance, and transportation for individuals with disabilities and veterans requiring ongoing support services.
